

Instructions for accessing AHSC Program application information via the Financial Assistance Application Submittal Tool (FAAST)

Access the FAAST Public Portal at:

https://faast.waterboards.ca.gov/Public_Interface/PublicSearch.aspx

FAAST FINANCIAL ASSISTANCE APPLICATION SUBMITTAL TOOL

Public View of Applications Submitted Online

There are three ways to search on the Public Search Tool Page:

1. Search for applications using filter criteria such as: Request for Proposal (RFP) name, grant program, phase, project location (Regional Water Board, legislative district) and status;
2. Search for applications by applicant (organization) name or key words(found in the project description); or
3. Search for a specific application by entering the Proposal Identification Number (PIN) or grant agreement number.

In order to query the FAAST system, click the "Search for Application(s)" button (pressing the "Enter" button will not search for applications).

To view the application in it's entirety, please click the PIN in the left most column.

Please note: Not ever loan and grant program administered by the State Water Board's Division of Financial Assistance uses FAAST as its method of application submittal. Applicant organizations are responsible for the accuracy and completeness of the information provided.

<input checked="" type="checkbox"/> 1. Search for Applications			
RFP/PSP Name: <input type="text" value="All RFP's"/>			
Grant Program: <input type="text" value="All Grant Programs"/>			
Phase: <input type="text" value="All"/>			
Project Location (County): <input type="text" value="All Locations's"/>			
Legislative Districts: Senate: <input type="text" value="All"/>		Assembly: <input type="text" value="All"/>	
US Congressional: <input type="text" value="All"/>			
Primary Regional Board: <input type="text" value="All Region Board's"/>			
Proposal Status: <input type="text" value="All Submitted"/>			
Sort By: <input type="text" value="PIN #"/>			
<input checked="" type="checkbox"/> 2. Search Applications by Applicant or Project Description			
<input checked="" type="checkbox"/> 3. Search Applications by PIN			
<input checked="" type="checkbox"/> Total Visitors			

- 1) Under "1. Search for Applications" choose the RFP/PSP Name "Affordable Housing and Sustainable Communities (AHSC) Program FY 16/17 Round 3 NOFA"

You may then query the information in a variety of different ways:

- By Proposal Status: allows users to filter for only those applications which were awarded funds
- Other: Depending on the parameters chosen above, users may sort by PIN number, Proposal Title, Applicant or County.

- 2) Once selections have been made, scroll to bottom of page and select "Search for Applications"

- 3) Once the list of applications populates, click on the associated PIN number in the far left column to access application information.

For questions about navigating the FFAST system, please call 1-866-434-1083, or email: FFAST_admin@waterboards.ca.gov. All emails should include the following subject line: "AHSC: _____". Emails should include the Proposal Identification Number (PIN) (if known).
